The validity, interpretation and performance of this agreement and the resolution of all disputes and any other matters arising under or in connection with this agreement shall be governed, construed and interpreted in accordance with the laws of France, without giving effect to its conflict of laws principles. The Tribunal of Commerce of Paris in France (Tribunal de Commerce de Paris) shall have exclusive jurisdiction and competence over any dispute. The Rates are given on the basis that normal business circumstances prevail.

According to the Agreement, in the event that a material change in circumstances arise beyond the direct control of the Parties (such as, and not limited to, an increase in fuel, in insurance, in fleet costs, the implementation of new taxes or duties), the Parties agree to renegotiate the above rates to properly reflect the business conditions prevailing or to terminate this Agreement should the renegotiation fails.

The validity, interpretation and performance of this agreement and the resolution of all disputes and any other matters arising under or in connection with this agreement shall be governed, construed and interpreted in accordance with the laws of France, without giving effect to its conflict of laws principles.

The Tribunal of Commerce of Paris in France (Tribunal de Commerce de Paris) shall have exclusive jurisdiction and competence over any dispute.

The Rates are given on the basis that normal business circumstances prevail.

According to the Agreement, in the event that a material change in circumstances arise beyond the direct control of the Parties (such as, and not limited to, an increase in fuel, in insurance, in fleet costs, the implementation of new taxes or duties), the Parties agree to renegotiate the above rates to properly reflect the business conditions prevailing or to terminate this Agreement should the renegotiation fails.

VAT, excess charges, surcharges and ancillaries are subject to change without prior notice. All rates and conditions attached are proprietary and confidential to Europcar.

If the country offers Premium cover, it can only be applied if the driver is 26 years old or more.

All rates are meant to be uniquely designed for the product it covers and are by definition not comparable to any other Europcar rates. Car examples are not meant to be a commitment on the brand and/or model and are for illustration only.

The insurance terms and conditions of Europcar will apply and are subject to amendment at any time with no prior notice and are available on the following URL address: <https://www.europcar.com/terms-and-conditions/insurances-and-protection>

The General terms and conditions of Europcar will apply and are subject to amendment at any time with no prior notice and are available on the following URL address: <https://www.europcar.com/terms-and-conditions/specific-terms-per-country>

The validity, interpretation and performance of this agreement and the resolution of all disputes and any other matters arising under or in connection with this agreement shall be governed, construed and interpreted in accordance with the laws of France, without giving effect to its conflict of laws principles.

The Tribunal of Commerce of Paris in France (Tribunal de Commerce de Paris) shall have exclusive jurisdiction and competence over any dispute.

The Rates are given on the basis that normal business circumstances prevail.

According to the Agreement, in the event that a material change in circumstances arise beyond the direct control of the Parties (such as, and not limited to, an increase in fuel, in insurance, in fleet costs, the implementation of new taxes or duties), the Parties agree to renegotiate the above rates to properly reflect the business conditions prevailing or to terminate this Agreement should the renegotiation fails.

The validity, interpretation and performance of this agreement and the resolution of all disputes and any other matters arising under or in connection with this agreement shall be governed, construed and interpreted in accordance with the laws of France, without giving effect to its conflict of laws principles.

The Tribunal of Commerce of Paris in France (Tribunal de Commerce de Paris) shall have exclusive jurisdiction and competence over any dispute.

The Rates are given on the basis that normal business circumstances prevail.

According to the Agreement, in the event that a material change in circumstances arise beyond the direct control of the Parties (such as, and not limited to, an increase in fuel, in insurance, in fleet costs, the implementation of new taxes or duties), the Parties agree to renegotiate the above rates to properly reflect the business conditions prevailing or to terminate this Agreement should the renegotiation fails.

The validity, interpretation and performance of this agreement and the resolution of all disputes and any other matters arising under or in connection with this agreement shall be governed, construed and interpreted in accordance with the laws of France, without giving effect to its conflict of laws principles.

The Tribunal of Commerce of Paris in France (Tribunal de Commerce de Paris) shall have exclusive jurisdiction and competence over any dispute.

The Rates are given on the basis that normal business circumstances prevail.

According to the Agreement, in the event that a material change in circumstances arise beyond the direct control of the Parties (such as, and not limited to, an increase in fuel, in insurance, in fleet costs, the implementation of new taxes or duties), the Parties agree to renegotiate the above rates to properly reflect the business conditions prevailing or to terminate this Agreement should the renegotiation fails.

The validity, interpretation and performance of this agreement and the resolution of all disputes and any other matters arising under or in connection with this agreement shall be governed, construed and interpreted in accordance with the laws of France, without giving effect to its conflict of laws principles.

The Tribunal of Commerce of Paris in France (Tribunal de Commerce de Paris) shall have exclusive jurisdiction and competence over any dispute.

The Rates are given on the basis that normal business circumstances prevail.

According to the Agreement, in the event that a material change in circumstances arise beyond the direct control of the Parties (such as, and not limited to, an increase in fuel, in insurance, in fleet costs, the implementation of new taxes or duties), the Parties agree to renegotiate the above rates to properly reflect the business conditions prevailing or to terminate this Agreement should the renegotiation fails.
